Regel Nr. / No. de règle	IIHF 52	Regel Bezeichnung / Désignation de règle	Slew-Footing

Zusammenfassung / Résumé

With the input of the Department of Player Safety and upon video review, **Romain Loeffel** from SC Bern makes contact with an opponent deemed **“Slew-Footing” – IIHF Rule 52.**

From the DPS’s perspective, Loeffel’s actions require supplemental discipline.

As the video shows, Loeffel #58 from Bern and Kostner #22 from Ambri fall down in the corner. With Loeffel on top of the Ambri player. There is some pushing and shoving and then they get up and begin to skate up the ice. Just as they reach the blue line Kostner goes back up beside Loeffel. At that moment #58 slides his left skate behind the legs of his opponent. He pushes Kostner backwards with his upperbody at the same time kicking his feet from underneath him. Kostner falls violently to the ice. This is Slew-Footing. This is not a hockey play.

The Department of Player Safety’s recommendation is **Category 1 – a one game Suspension to SC Bern player Romain Loeffel.**

To Summarize:

1. This is Slew-footing, IIHF Rule 52
2. Loeffel pushes his opponent backwards all the while using his foot to kick his opponents’ feet from under him
3. Kostner falls violently to the ice
