Zusammenfassung / Résumé

With the input of the Department of Player Safety and upon video review, **Fabio Arnold** from HC Ajoie makes contact with an opponent deemed **“Interference” – IIHF Rule 56**.

From the DPS’s perspective, Arnolds’s actions require that the nonpenalty assessed on the ice be elevated to a **5-minute major and automatic game misconduct**.

As the video shows, the puck is behind the Tigers net. The players from SCL are setting up for a breakout. #63 Rohrbach from Langnau circles towards his blue line and is cutting into the middle of the ice, looking back at the puck. At the same time #61 Arnold from Ajoie is going for a line change. Arnold turns near the top of the circles takes one hand of his stick and pushes one stride towards the blue line. (behind goal 2) He then glides and as he reaches the blue line leans left into Rohrbach, braces and checks him. Rohrbach also had to be aware of his surroundings, but Arnold does not try to avoid or minimize contact. Instead, he leans into an unsuspecting player. Arnold is allowed the ice he is on, but he does move laterally to make contact. Contact as such is dangerous.

The DPS request a **5-minute major and automatic game misconduct** to Ajoie’s #61 Fabio Arnold.
