Zusammenfassung / Résumé

With the input of the Department of Player Safety and upon video review, **Jiri Sekac** from Lausanne HC makes contact with an opponent deemed **“Illegal Check to the Head or Neck” – IIHF Rule 48.**

From the DPS's perspective, Sekac's actions require supplemental discipline.

As the video shows, Lausanne HC wins the faceoff outside the Ajoie blue line. TS Kovacs rims the puck into the zone around the boards. Ajoie #6 Leduc goes back to retrieve the rim. As the puck makes it all the way to the other hash marks, Leduc takes a swing to chip it out of the zone. At that moment he is checked by #92 from Lausanne Sekac. #92 comes down the wall turns sideways and elevates upwards with force making the head of Leduc the initial and main point of contact. Sekac left shoulder makes contact with the head of his opponent. On contact both skates of Sekac are off the ice. Leduc does expose himself for contact, but the check must be delivered fair and correct by Sekac. The DPS deems this to not be the case and request supplemental discipline for an Illegal Check to the Head.
