Zusammenfassung / Résumé

With the input of the Department of Player Safety and upon video review, **Josh Jooris** from Geneva-Servette makes contact with an opponent deemed **“Kneeing” – IIHF Rule 50.**

From the DPS’s perspective, Jooris’s actions require supplemental discipline.

As the video shows, Fribourg’s player #11 Dufner breaks out of his own zone. He beats two forecheckers and skates towards the blue line with speed. Before he reaches the blue line, he starts to move back to his right. He is then checked by Geneva’s player #19 Jooris. Jooris is curling to his right, Dufner’s left, coming over the blue line. Corner 1 cam you can see both of #19 skates turned towards his right with his weight shifted that way also. He suddenly turns his feet seeing he is going to be beat by Dufner, extends his left knee forwards and leads with it to make contact with #11. All Jooris’ weight is on his left left leg, his back leg is extended backwards. Contact is made to Dufner’s left knee/leg with the knee of Jooris. Contact as such is dangerous and must be avoided. It was reported that Dufner left the game and did not return.
