Zusammenfassung / Résumé

With the input of the Department of Player Safety and upon video review, **Luca Fazzini** from HC Lugano makes contact with an opponent deemed **“Slashing” – IIHF Rule 61.**

From the DPS’s perspective, Fazzini’s actions require that the penalty assessed on the ice be elevated to a **5-minute major and automatic game misconduct.**

As the video shows, the puck is shot by #32 Wolf from the blue line towards the Langnau net. #17 from Lugano Fazzini is in the slot and tips the puck on net. He then moves towards the front of the net. At that moment he is pushed in the side around pant level by #77 from Langnau Schilt. After Fazzini regains his footing in the slot, he delivers a forceful slash to Schilt. Fazzini spins around and with his hands close together swings his stick in a chopping motion making contact with the knee area of Schilt. The exact location of where on the knee contact is made is not visually clear. The DPS deems there is no need for contact as such.

The DPS request a 5 – minute major and automatic game misconduct to HC Lugano player, Luca Fazzini.
