Zusammenfassung / Résumé

With the input of the Department of Player Safety and upon video review, **Laurent Dauphin** from HC Ambri-Piotta makes contact with an opponent deemed **“Charging” – IIHF Rule 42.**

From the DPS’s perspective, Dauphin’s actions require supplemental discipline.

As the video shows, #10 Formenton from Ambri carries the puck into the offensive zone and is met with a good check from #56 Noreau from Rappi. The puck is knocked loose towards the corner of the zone. Rapperswill’s TS Moy goes to retrieve the puck. Moy stops before the boards and lets the puck carry right to the wall. He leans in to brace for contact with Ambri’s incoming player #9 Laurent Dauphin. Dauphin arrives with speed from the front of the net. Jumps and elevates into Moy, both of Dauphin’s skates are off the ice prior to and on contact. He has two hands on this stick and when he checks Moy his stick makes contact to the neck area. The check is delivered with force, Moy is projected into the boards on contact. Contact as such must be avoided or at the very least minimized.
