Zusammenfassung / Résumé

With the input of the Department of Player Safety and upon video review, **Justin Abdelkader** from EV Zug makes contact with an opponent deemed **“Boarding” – IIHF Rule 41**.

From the DPS’s perspective, Abdelkader’s actions require supplemental discipline.

As the video shows, Martschini from Zug chips the puck behind the defense of Rapperswil. Noreau #54 from Rapperswil turns to go back and retrieve the dumped puck. He picks the puck up on his backhand just below the hashmarks. He then moves it back up the boards when he reaches the goal line. At that moment he is hit in the numbers and projected dangerously into the boards by Zug’s #89 Abdelkader. #89 arrives with speed and puts his left shoulder into the back of Noreau and checks him dangerously into the boards. Abdelkader sees the numbers of his opponent for some time. Even though there is a slight turn by Noreau, #89 still is never beside his opponent, he hits him in the back of the right shoulder/numbers. Proximity to the boards makes this hit more dangerous. Contact as such must be avoided or at the very least minimized. It was reported that Noreau left the game and did not return.
