Zusammenfassung / Résumé

With the input of the Department of Player Safety and upon video review, **Cody Almond** from Lausanne HC makes contact with an opponent deemed **“Kneeing” – IIHF Rule 50**.

From the DPS’s perspective, Almonds’s actions require supplemental discipline.

As the video shows, the puck comes to Biel’s #77 Grossmann on the half wall. He steps to middle and releases a shot on net. Grossman finishes his shooting motion and puts his other foot back down on the ice, all his weight is on his front leg. At that moment he is checked by #89 Almond from Lausanne. Almond arrives with speed, turns his right skate outwards, sticks his leg forward to make contact. Contact is made knee to knee. Almond leads with his right knee forward to make contact.

The Department of Player Safety’s recommendation is **Category 1 – a one game Suspension to Lausanne HC player Cody Almond**.

To Summarize:

1. This is Kneeing, IIHF Rule 50
2. Contact is made knee to knee
3. Almond leads with his knee and extends his leg forward to make contact
